

EPARCHIAL APPEAL

Glory to Jesus Christ! Glory forever!

CONGRATULATIONS St. Mary's Parishioners!

We have contributed a grand total of **\$22,500.00** to the appeal. The invitation continues to be open to those of you who have not made a pledge. We only need **\$4,175.00** to reach our goal of \$26,675.00. Remember no pledge is too small. This is your opportunity to make our Eparchy and Church a vibrant Christian community.

We believe God the Father will work through us to enliven and strengthen our parish by being committed to these goals: OUTREACH, RELATIONSHIPS, AND CATECHESIS.

Please, drop your pledge in the collection plate or mail it directly to the Eparchial office.

Dear Sisters & Brothers of St. Mary's Family,

Hopefully, off and on, I will be adding a personal message in the parish bulletin or to be totally honest, to share some of my views and thoughts. Ha! Since I'm the pastor, I can "**pull rank**" and do such things. You may skip over this section, but that would not be wise! You'll miss some "good stuff"! Of course, you, in turn, are encouraged to happily agree or gently (!) disagree.

I do hope many of you have received the first pastoral letter "**welcoming you home**" and back to St. Mary's after a very busy summer. If, by chance, you did not receive a letter, that means I have seen you in church these past few Sundays and thought you could pick up this letter here & save us some postage. Is that okay?

I hope this letter expressed some of my hopes and dreams for the parish – **for you and your family!** Together we can revitalize and rejuvenate St. Mary's...

Both Father Ray and I truly wish to know you personally, but that may take time, so please be patient with me – *especially when I ask you for the 4th time what your name is!* Fr. Ray has an advantage over me! He happily has shared 7 years with you all! Don't forget this Senior Citizen doesn't have the best memory any more! Just warmly smile, humour me and please don't say: "*You don't remember – Again?*" There are so very many of you and to be honest, over the years I have met 1000's...

And speaking of "**names**", would you be kind enough to mention your **first name** as you receive the Lord in Holy Communion? We can then personally address you & not be distracted trying to remember who you are. This would be most helpful!

And **thank you** for accepting the **schedule change of the weekday Liturgy from 7:30 to 8:00 am.** Yes, it may be a little inconvenient at first but it's amazing how soon we adjust. You hopefully may wish to come to Liturgy before work or school.

Already our Catholic School system is in full swing... with an opening Liturgy for all on Thursday and a full day workshop on Friday. Please never take for granted the blessing of our Yorkton Catholic Schools! Of all my pastoral assignments in CA & USA, never have I experienced such a well-organized Catholic education system as here in Yorkton!

Enough for this bulletin – except for one more thing: **WELCOME HOME AND WE ARE DELIGHTED TO PRAY WITH ALL OF YOU...** Yes, we love you already and together we all will grow in the love of Jesus and one another! **God Bless You All!**

"Lookin' for parishioners!"

Eparchy of Saskatoon Family and Life Office Bulletin: August 2015

"The future of the world passes through the family" Familiaris Consortio, 79

With the weddings of two of my children this past year and Marriage Preparation being a central part of my ministry in the Family and Life Office I spent some time this summer reflecting on the sacrament and vocation of marriage. What follows some advice offered to my newly married children based on my own marriage of 32 years (Time flies when you are having fun!!!!) and the notion of being a "holy fool" or a "fool for Christ". My husband and I have lived by the adage that "God looks after fools and small children" and we were always very aware of which category we fell into in prevailing upon God's loving care. At Vespers on August 1, 2015 Fr. Tom Hrynwa reminded those of us at St. John the Baptist Church in Ottawa that we only have one choice in life-- to be a 'fool for Christ' or to foolishly choose the madness of the world around us. (Check out 1 Cor. 3:18-19) What came to mind was that song. "Why do fools fall in love?" I thought...because only a fool would fall in love and expect that love to last forever. Only fools would commit their entire lives to loving another person in Christ. Marriage is a very foolish thing. Yet this is the foundation of family -- the domestic church. Married life comes with all its joy and sorrows but because it speaks of the 'great mystery' of Christ's love for the Church, it communicates to the world intense truth and beauty found in the lifelong commitment of one man to one woman. It also creates a powerful synergy where one plus one equals more than two. Marriage is a holy vocation and truly demands our all—however foolish that may be. (Part II of a three part series on Marriage.)

Marriage Rules for Fools:

Rule #1. Remember your love. Remember that this person who is frustrating and even making you really angry loves you and you love them. So whatever they do or fail to do that hurts you, you have both chosen to love and you can work through it together. This is truly 'foolish' faith in the power of love and recognition of the One (our God) who is the source of our love--the Holy Trinity who is love.

Rule#2. Laugh. Find joy in each other. Find joy in your private jokes. Laugh everyday. Laugh at yourselves. You are funny. All good humor comes from God. Laugh with your children. They too will be hilarious. Your pain and sorrows will turn into peace and joy when you give them to God and laugh. Trust me. I am pretty sure God finds a lot to laugh about when he looks at how often we take ourselves way too seriously.

Rule#3. Be willing to face the reality of your own imperfection. This is really only possible with God. He is the source of true humility. In any given dispute it is almost a certainty that you are both wrong. Do not weight wrongs--it is often a waste of time to worry about which of you are more wrong. Say sorry and mean it. Kiss and make up. ***These rules are no joke; even a fool would not joke about something so important. © DPL
