Slava Isusu Khrystu!

Beloved Sisters and Brothers of St.Mary's,

I wonder how many of us silently and secretly rejoice that we are not **"like them"**? **"Like them"** come in all sorts of sizes, colours, shapes, economic conditions, health situations and thousand of other things. By not being **"like them"** we feel superior. By not being **"like them"**, we feel safe and secure. We feel good about ourselves! BUT are we fair? Are we even Christians?

We all do it! Whether we want to admit it or not, we are all, sooner or later, prejudiced in our lives. We feel that our religion, our skin colour, our nationality, our social status makes us better. We begin to believe that we deserve what we have and we also have hundreds of reasons to justify our position and our stance. BUT are we fair, are we right?

This may sound a little harsh, but is it not true! Our **"comfort zone"** often damages our perspective and sadly distorts our thinking. It stops us from being understanding and generous and kind. It locks us in a cage of smugness and complacency - for we are not **"like them"**!

You and I must remember that God created each and every one of us and that we are all His beloved children. He does not judge us as Ukrainians, or Canadians, or Aborigines... He does not see us as white or black or yellow. He does not see us as skinny or fat, as rich or poor. God the Father sees us as His children and judges us on our fairness toward one another. He judges us on how much we love one another and how much we are willing to sacrifice for one another.

If we generously allowed God's spirit to live within us, we would then live our lives in constant search for inner peace and serenity. We would always be in search for harmony – harmony between us and God, harmony within ourselves and harmony toward others. How easy it is to surround ourselves with people who think like we do and then to live in peace with them. But is not true harmony much more than this? Should we not try to imagine getting into someone else's skin and develop our awareness, our fairness our tolerance and our appreciation? If we allow God to dwell within us, we will truly be drawn toward peace in every aspect of our lives.

May we all learn to be fair so that we, as God's children in this world, may be generous and kind not only to those in our little circle. May we develop a unique generosity, a generosity that I wish for each and every one of you from the bottom of my heart. Amen.

Дорогі Мої Брати і Сестри в Христі!

День Подяки прийшов і пішов і нам було дуже приємно бачити, що так багато із вас прийшли до церкви в неділю, щоб зложити подяку за безчисельні благословення, яким ми, канадійці, насолоджуємося. Але прошу вас, ніколи не брати за самозрозуміле, що ці благословення нам належаться; приймім позицію вдячності, та дякуймо Богові за кожний подарунок, яким Він нас обдаровує.

А, коли я згадую тему подяки, мушу в імені нашої парафії висловити сердечне **дякую** чудовому та щедрому парафіянові +Володимирові Лукій, який Господь Бог покликав до Свого Небесного Царства недавно. Він ласкаво вирішив у своєму **заповіті** призначити велику частину свого майна нашої парафії св. **Марій**. Володимир був дуже вдячий, що міг приймати активну участь у цій церковній громаді і подарував нашій парафії багато зі своїх ощадностей, знаючи, що ми, зі своєї сторони, використаємо ці гроші для добра інших і що будемо щоденно за неї молитися, так, як ми це робимо за всіх наших жертводавців та парафіян.

Де би я не служив парохом, мене завжди турбувало те, що дуже багато з наших канадійських українців **не мають заповіту**. Вигладає, що це майже половина людей. Аж страшно подумати. Ми себе немов переконуємо, що якщо ми не напишемо заповіту, то **ми не** помremo. Але в дійсності, якщо я, як Ваш парох, приготуюся на цей останній день тут на землі, ВАМ також це треба зробити.

Ви дуже тяжко працювали, щоб заробити на свої потреби та на потреби своєї родини і було би льогічно, щоб саме ВИ рішали, де ваш спадок повинен бути призначений. Якщо ви не будете мати заповіту, наша держава радо забере ваші тяжко зароблені гроші (*або ваші адвокати зроблять за вас рішення*).

Коли ви приготуйте власний заповіт, це дасть вам особисте задоволення, що то ви рішили, кому ви подаруєте своє майно (*без огляду на то, яке воно велике, чи мале*). Кожний з нас нераз чув страхіття, де родини себе знищили поганими сварками після похорону, бо кожний для себе хотів те багатство, яке покійний нікому не призначив. Це дуже сумне явище і воно викликане тим, що люди не зробили цього важного рішення, ще за свого життя.

Беручи +Володимирові Лукій собі за приклад, ми сильно заохочуємо всіх парафіян також взяти під увагу у своєму заповіті згадати підтримку парафії св. **Марії**. Це є чудовий спосіб не лишень подякувати Богові за всі одержані ласки але також запевняє, що наша церква зможе служити потребам наступних поколінь. Це подарунок, **який постійно живе...** це живий доказ вашої уважливості та вашої щедрості.

Запевняю вас, що я в майбутніх бюлетенях знов буду торкатися цієї теми (*і буду старатися робити це делекатно*). Буду заохочувати парафіян застановитися над тим, щоб призначити даний відсоток свого майна Українській Церкві, щоб запевнити її майбутність.

Вибачте, може це трошка заповажна для вас тема. Я свідомий цього - але я, ваш парох, маю обов'язок ставити під запит різні питання вашого життя - духовні, емоційні, психічні і навіть фінансові. Надіюся, що ви немає нічого проти. А в міжчасі бажаю вам гарного, спокійного, радісного та люблячого тижня.
